

We are part of the **Homecard** Network of Vermont Libraries!

You can use your Fairfax Community Library card to borrow books at 22 public libraries in Chittenden, Lamoille and Grand Isle Counties! HOW COOL IS THAT?

With a library card issued from their home town library, area residents can check-out materials from 22 libraries in Chittenden, Grand Isle, and Lamoille counties. Known as HomeCard, this cooperative system provides users with expanded library hours and a large collection of books, magazines, videos, music, and recorded books available for check-out. Patrons must keep their accounts in good standing for privileges to remain active.

Vermont Libraries participating in the Homecard system include:

[Burnham Memorial Library](#) (Colchester)

[Charlotte Public Library](#)
